### Pat Cherry Hired as Adhesive Specialist

**AGAWAM, Mass., July 2021** – Pat Cherry, has re-joined OMG Roofing Products as an adhesive specialist after spending the past couple of years as a regional manager with ICP Adhesives & Sealants.

In his newly created position, Pat is responsible for driving sales for the company's growing line of commercial roofing adhesives including its popular line of OlyBond Adhesives. In his new capacity, Pat will work with the field sales team, as well as marketing, and product development to deliver superior solutions to OMG customers. He reports to Adam Cincotta, vice president of the Adhesives & Solar Business Unit.

Pat has more than 23 years of sales experience in the commercial roofing industry, including 18 years with OMG, most recently as a regional manager. In addition to OMG and ICP, Pat has experience working for Johns Manville, Dimensional Metals, and Roofers Mart of Missouri.

Pat is active with the Great Lakes Chapter of the IIBEC (formerly the RCI) and holds a bachelor's degree from Michigan State University.
