OMG HIRES VETERAN LEADER AS NATIONAL SOLAR SALES MANAGER

AGAWAM, Mass., Dec. 2021 – Sean Dougherty, a veteran of the commercial roofing industry with more than 20 years of experience, has re-joined OMG Roofing Products as National Sales Manager for its growing Solar Business.

In his new position, Sean is responsible for developing sales strategies and plans for growing OMG's line of PowerGrip Solar Mounts among both new customers and existing accounts. In this capacity, he will work closely with OMG's field sales, technical, and marketing teams to drive product sales and specifications. He reports to Kevin Kervick, Solar Business Manager.

Sean has extensive experience in the commercial roofing industry, including 13 years in sales at OMG Roofing Products, most recently as a Regional Sales Manager. He returns to OMG from Johns Manville of Denver, Colo., where he spent the past four years as a Senior Sales Representative. Sean started his roofing career with GAF Materials Corporation in 2001.

“We are very pleased that Sean has re-joined the OMG team in this capacity,” said Kevin Kervick. “Not only is Sean highly knowledgeable about roofing applications, but he is also a strong sales leader with a proven track-record of success.”

Sean holds a bachelor’s degree in business administration from Rochester Institute of Technology, Rochester, NY. He is on the board of directors of the Carolina Roofing & Sheet Metal Contractor’s Association, and a member of the Construction Specifications Institute.

Headquartered in Agawam, Mass., OMG Roofing Products is a leading manufacturer of commercial roofing products including specialty fasteners, insulation adhesives, drains, pipe supports, solar mounts, and productivity tools. The company’s focus is delivering products and services that improve contractor productivity and enhance roof system performance. For additional information, visit OMGRoofing.com or call 800.633.3800.
