

EdgeBox RI Perimeter Metal Blocking System.

PRODUCT DATA SPECIFICATIONS

PRODUCT DESCRIPTION

EdgeBox RI is an innovative new product that is an engineered metal replacement system for roof nailers.

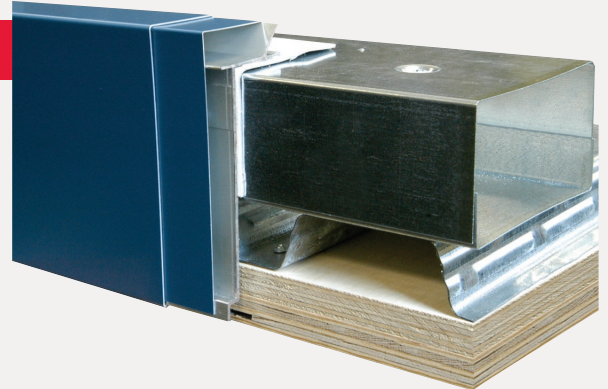

FEATURES & BENEFITS

- Replaces traditional wood blocking or nailers at the perimeter of a low-slope roof. Eliminates concerns about fastener corrosion in ACQ treated wood. No rotting, insect damage or mold.

- Provides a retainer for rigid insulation. Maintains high R-value designed to prevent thermal loss from system.
- Includes pre-punched holes and supplied corrosion-resistant fasteners for proper attachment and fast installation.

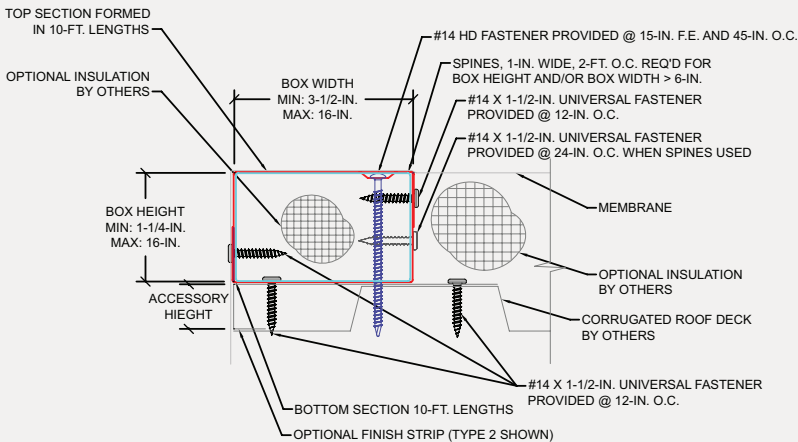

APPROVALS

ANSI/SPRI/FM 4435
/ES-1 TESTED

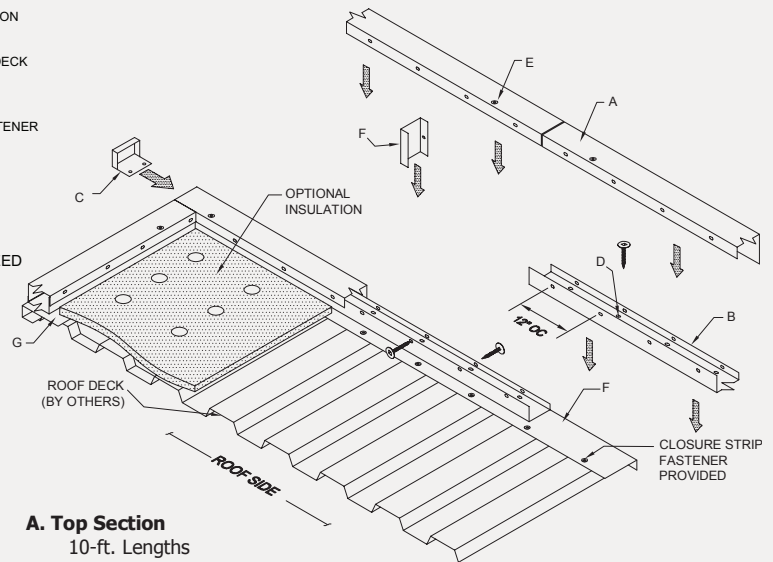

HEIGHT IN	WIDTH IN	MATERIAL
1.25 - 6	3.5 - 6	20 Ga. Galvanized Steel Box
6.25 - 12		20 Ga. Galvanized Box w/ 20 Ga. Spine
12.25 - 16		20 Ga. Galvanized Box w/ 16 Ga. Spine

ANSI/SPRI/FM4435/ES-1 TEST PRESSURES UP TO 911 PSF (VERTICAL) AND 526 PSF (HORIZONTAL)

PRE-DRILL WITH 3/16-IN. DRILL BIT FOR MASONRY CONDITIONS.

CONTACT OMG FOR APPROPRIATE RECOMMENDATIONS NEEDED TO MEET/EXCEED ANSI/SPRI/FM4435/ES-1 DESIGN CRITERIA

- A. Top Section**
10-ft. Lengths
- B. Bottom Section**
10-ft. Lengths
- C. End Cap Insert**
Slides into exposed end of bottom section
- D. #14 X 1 1/2-in. Universal Fastener**
Included and required
- E. #14 HD Roofing Fastener**
Size varies based on height of EdgeBox
min. 1-in. penetration required
- F. EdgeBox Spine**
Required for face greater than 6-in.
- G. Finish Strip**
Parallel to deck flutes
(required for metal deck)
- H. Closure Strip**
Perpendicular to deck flutes
(required for metal deck)

EdgeBox RI Perimeter Metal Blocking System.

INSTALLATION PROCEDURE

SPECIFICATIONS (short form)

The perimeter blocking shall be the EdgeBox RI as manufactured by the OMG EdgeSystems. The EdgeBox two-piece assembly shall be fabricated from 20 Ga. galvanized steel with pre-punched fastener holes. The bottom section is attached to the metal deck with the provided mechanical fasteners. No slots are necessary for use with rigid insulation. Installation shall conform to Manufacturer's written instructions.

DESCRIPTION

Application

EdgeBox is an innovative new product that is an engineered metal replacement system for roof nailers. The two-piece design replaces traditional wood blocking or nailers at the perimeter of a low-slope roof. EdgeBox attaches to the roof deck and is used in conjunction with OMG fascia and coping profiles that have been tested to meet the ANSI/SPRI/FM4435/ES-1 roof edge standard, now required by the International Building Code.

INSTALLATION PROCEDURES

This is a general outline. Refer to our full installation guide for details.

Preparation:

The substrate should be flat and level from front to back. Shim areas not level.

Procedure:

Starting at the corners, install a closure strip at the end of the metal deck closing off the flutes and a finish strip parallel with the flutes providing a level surface for EdgeBox. Fasten bottom sections of the blocking to the metal deck using the provided fasteners leaving an 1/8-in. gap for expansion. Slide end cap inserts into exposed ends of bottom section. Starting at the corners, place top section onto bottom section, secure each end with the supplied fasteners into holes provided.

FINISH

Natural mill galvanized steel.

GUARANTEE

A. Manufacturer's Standard Warranty: Materials shall be free of defects in material and workmanship for five years after shipment. If, after inspection, the manufacturer agrees that the materials supplied by them are defective, the manufacturer shall at their option repair or replace them.

B. 25-Year Category 5 Warranty: Manufacturer shall guarantee that the edge system, when installed per manufacturer's instructions, will not blow off, leak, or cause membrane failure, even in wind conditions up to 155 mph, or the manufacturer shall replace or repair its materials.

TECHNICAL SERVICES

Engineering and shop drawings are available from the factory. Product samples and detail sheets are ready for your submittal package. For personal assistance with questions or submittals, contact your local OMG Edge Systems representative.
